

The Gospel of Peace in the midst of War

Dear Nekesa (Harvester),

"A thousand shall fall at thy side and ten thousand at thy right hand; BUT IT SHALL NOT COME NIGH THEE." Psalms 91:7

This is what we are experiencing here in Bungoma, Kenya - the Lord's divine protection in the midst of social and religious unrest. Bungoma is surrounded by Sudan, Somalia, and Ethiopia. There are wars to the north and west that surround us. However, Bungoma has become a refuge for many people. We are seeing, living, and experiencing how faithful God is to his promises.

Jesus has not only kept us safe, but by His favor He has been increasing the school. The scriptures say that the fields are white unto harvest. Everyday we are seeing that evidenced by the people coming to Bungoma seeking safety, seeking the truth. At Bungoma Bible School our Students are being trained to go forth into the fields and reap the harvest.

People are seeking the truth! We are able to send forth the disciples that bring them into the truth of Jesus Christ and His love for them. This school has been a light to this city, this nation, and surrounding areas.

What would Bungoma be without Bungoma Bible School?

Remember in the book of Ester when Hamon had a plot to kill all of the jews? It was Ester that was willing to sacrifice her life to save her own people. She went before the King to beg for her people's lives, knowing it could very well cost her own life.

This story reminds me of Mama Doris. She followed the Lord Jesus Christ to Kenya to start the Bible School. Mama Doris did not know what awaited her. She could have lost her life.

Now, Bungoma Bible School has graduated over 2,000 Students since it began. Our School year runs February through November. This last November we graduated 33 Bible school students from our four year program. In February we have 44 students enrolled to be disciplined in the Word.

We have sent forth these disciples into the harvest field - over 2,000. This is saving the souls and lives of countless people - all because Mama Doris took the risk to follow the Lord Jesus and started Bungoma Bible School.

Bungoma may have wars to the right and the left, but it is NOT COMING NIGH UNTO US! We thank Jesus for sending Mama Doris to bring salvation to the people of Bungoma through her work and the school she established. She gave her whole life to save a people that were not her own (according to earthly standards). We know that the Lord spoke to her - Bungoma Bible School is His will.

Together, we continue what Mama Doris started. We are making disciples and sending them into all the world to preach the gospel to every man, woman, boy, and girl. These students are carrying the gospel of peace in war ravaged areas. It is because of them that Bungoma still stands for Jesus. It is because of partners like you that they are able to be disciplined and go forth.

You, our Partners, are shining the glorious light of the gospel to the people of Bungoma, Kenya as Mama Doris did; just as Ester saved the Jews. Jesus is our only Hope in these times. He is working mightily through all his people.

If you are not a Partner with Bugoma Kenya, please consider being a monthly partner with us. Join us in taking the gospel of peace, truth, and the Love of Jesus to every tribe, tongue, and people.
