The Only True

Dear Nekesa (Harvester),

This month we have celebrated our Lord Jesus Christ in remembrance of all the He has done for us. Easter - the Resurrection of Jesus Christ who shed His blood for our redemption. We are free from the law of sin and death because of Him - makes me want to Shout for Joy! Hallelujah!!

Bungoma Bible School Students
(World Changers!)

We live because He lives. The freedom we have in Christ to walk in healing is because He took the stripes on His back for our complete healing! Isaiah 53:5 We now have been made righteous, in right-standing, with our Father God to have a relationship with Him through the precious shed blood of Jesus.

We have been buried with Christ and our old man has passed away . We now have been risen with Him and all things have become new! We are new creations in Christ Jesus! He has paid the ultimate price for us to walk in Eternal Life. What is Eternal Life? "And this is life eternal, that they might know Thee, the only true God, and Jesus Christ, whom thou hast sent." - John 17:3

We now have this joy of knowing the Only True God! Our Lord Jesus Christ is good, He is loving, He is our helper, and our healer. He is The Truth, He is The Life, and He is The Way - all we need. Isn't that great news!!! We are sharing the great commission, this 'too good to be true' gospel with every tribe and tongue within Bungoma, Kenya, and all of Africa.

Our Bungoma Bible School students are receiving this gospel deep into their hearts. We are seeing it transform their lives, their thinking of who they are in Christ, and build their trust in the Only True God ! The students are taking the 'too good to be true' gospel that has transformed their lives far into the villages, the cities and neighboring countries.

Bungoma Bible School -
In need of a new painted sign

They are seeing the results of the truth that He paid it all on the Cross! We are receiving many reports of people being healed, set free from witch doctors and demonic powers. Praise God!!

All of this is made possible by your faithful partnerships to Bungoma Bible Ministry. YOUR giving provides the materials, teaching staff, and the buildings that train the Bible School students. YOU are training up the generation that will change the nation of Kenya and the continent of Africa. YOU are fulfilling the great commission by taking the gospel to every tribe and tongue. All from right where you are reading this letter. The Sender and the Sent One are united as one.

Over the next year we are making it a goal to repair the facilities here at Bungoma Bible School and the Children's Home. In over 30 years of ministry we now find that our buildings are in need of many repairs. The cost for these repairs are above and beyond what we need in monthly financial gifts that come from our faithful partners. We are in need of an additional \$35,000 for these repairs. Most of Africa is still an emerging economical continent - too poor to function as America does. BUT, it is emerging - Praise Jesus!

Needed Repairs:

- Proper toilets for the Bible school dormitories and Children's Home (currently they are just holes in the concrete)
- New roofs for the Bible School and Children's Home
- a kitchen in the Bible School Dormitories
- Repairs to the kitchen in the Children's home
- A new painted sign for the Bible School
- and so much more...

Thank YOU for taking the great commission to Bungoma, Kenya. Thank YOU for your prayers and continued financial support towards this repair project. We pray over each of you that you walk in God's Abundant Life, knowing the Only True God!

Forever Grateful, **Justus Ochuro**
