Bungoma Bible
Ministries

Dear Nekesa (Harvester),

We want to take a moment to thank you for your very generous financial gifts to purchase the new vehicle for the Ministry! We know that this was not easy for you.

As many of you remember from our February Newsletter, we shared that our ministry vehicle had quit working a few months ago. This made complications in taking the sick kids to the hospital this year, not mention over 30 children to care for in Bungoma Children's Home, as well as transportation to all the ministry outreaches we had planned. We have learned to be creative with getting from A to B.

But now, Praise God, We have a new vehicle because of your generosity. We were able to raise \$20,000 from our Partners and \$10,000 from our ministry. Due to the tariff being 100%, we were able to buy a Toyota Land Cruiser for \$15,000 and paid tariff of \$15,000 to purchase it. Please see the pictures, to the right, of the vehicle that you were able to help us purchase. We are so blessed!!

Also, in Bungoma Bible School we have more student testimonies we would love to share with you!

One of these testimonies is from my son, Joshua, who is currently enrolled in Bungoma Bible School. Joshua will be attending Bungoma Bible School, just as his brothers before him did, to receive a foundation in the Word of God before he goes on into the plan and purpose that Jesus has for him.

"My experience in Bungoma Bible School has been awesome and a real eye opener. The Lord has blessed me and He is doing great things in my life. I feel accepted and loved and I've come to realize that no matter what, He will always lift me up. I am not a failure because Christ loves me and has accepted me thus I accept myself too in the Lord."

"This is my testimony since I came to Bungoma Bible School last year. Since I joined Bungoma Bible School, I have been encountering things that God has been doing in my life. Through prayers I have been praying for my parents because they were not saved, God has delivered my mum. My cousin was sick, his eyes had a problem so one day at our lunch hour after preaching, our teachers called for an altar call, by faith I responded to the altar call to pray for my cousin. He is healed and went back to school. I thank God that He brought me to Bungoma Bible School. It is the best place to be. Blessings."

"Bungoma Bible school is a wonderful thing to me. I have been able to experience so much that I never knew in salvation life. My prayer life has really changed. I have been able to pray right and I have seen God answering my prayers. I have also been able to exercise my authority as a believer, I used to have chest problem but I declared the word of God and am now healed. I also prayed for someone who was in Khalaba Hospital and God answered that prayer, she is doing well. God has used me to pray for my family's challenges and am seeing victory. I have also experienced the power of the Holy Spirit being refilled in again and I feel I am able to do God's work with confidence and authority. Thank you for your support to help me go to this most blessed Bible School."
