The Other side of Obedience

Dear Nekesa (Harvester),

This month we have had a wonderful time with our fellow brothers and sisters in Christ at the World of Life Christian Fellowship Word Camp. At the conference, people came from all over Kenya, at great lengths, to be part of this. Among these travelers are the Pastors and congregants of many of our extension churches of Word of Life. These men and women of God have gone through **Bungoma Bible School**, and are now taking the gospel to different corners of the country. This is *because of your partnership* with Bungoma Bible Ministries! These Pastors have been equipped to go out and fulfill the great commission. Thank you! **1 Thessalonians 1:2 "We give thanks to God always for you all, making mention of you in our prayers."**

During the conference we ordained 30 more ministers. Among them were Pastors from various Word Of life Christian Fellowship churches around the country.

The ordination ceremony was a powerful service where these ministers of the Gospel publicly committed themselves to serve God and pursue Him only, teaching God's ordinances in solid truth to the people that they serve.

We were also really excited to have our team from **Kakuma Refugee Camp**, which is the newest Word Of life Christian Fellowship church. It was planted inside the refugee camp. The church is a multi-national church with people from Congo, Sudan, Burundi, Rwanda, Uganda and Even Somalia who were displaced during the wars.

The team from Kakuma had to go through the legal visa process to leave the camp, and had a 20 hour journey to Bungoma. Unfortunately, they were robbed along the way. The people of the conference stood together with them, and gave financially toward their fare back to the camp. It was a blessing and we were touched by their heart, reminding us that the love of Christ is truly multinational, global, and able to withstand persecution.

We are also excited to share with you that we had over 30 salvations that this years Word Camp!

We are inspired to continue in this labor of love, see more people come to Christ, and grow effectively in our ministry. We have received many testimonies about what our Lord Jesus Christ has done in people during this conference. We wait, expectantly, to see what the Holy Spirit continues to do through their lives.

Thank you for Your Partnership with Bungoma Bible Ministries! You are

truly blessing those on the other side of your obedience! The fruit of your seeds are growing!
