

## An Investment that Multiplies

**Bungoma Bible

Dear Nekesa (Harvester),

Have you been looking for an investment that will multiply? An Investment that will provide for your future - a guaranteed investment? This investment will multiply and will go into your eternity.

This year's 2016 Word of Life Youth Conference started on 15th Aug 2016 in Bungoma and has attracted over 380 young people from all over Kenya. Our Lord Jesus Christ has really moved in a mighty way with the young people. Many have given their lives to Christ for the first time and purposed to live a life that glorifies the Lord. It was incredible to see young people thirst for the truth of the Gospel and desire so much that their lives reflected that truth.

We also had amazing encounters where the young people witnessed manifestations of the gifts of the Holy Spirit. We have testimonies from many young people stating that their lives have been transformed and they feel like a new being, having given their lives to Christ and allowing for the ministry of the Holy Spirit. The message was focused on growing the young people both in character and in spiritual matters. We had ministers from all over the country teaching, filled with the Holy Spirit, with the word for the season.

All the youth were boarding in the church compound where we fed and housed them for a week. It has been such a great opportunity to feed and host over 380 young people in our facilities. Most of them have had experiences that they will never forget, and have encountered Jesus at a personal level.

These young people have been given insight to what it really means to Love the Lord and to worship Him in spirit and in truth.

We conducted rigorous training and bible study sessions where people are allowed to really get into the word and receive what the Lord wants for their lives. This personal connection between our instructors and the youth has made us more effective and more lives have been changed.

Because of Your investment in these youth, they went out to share this same experience of God's unconditional love. The young people went out in the community to reach the young kids who are orphaned and living in the street.

These young people gave their hearts in this ministry and multiplied themselves in these orphans and street kids. It was amazing to see the team spend time with them, get to know them, interact with them, and let them know that the Love of our Lord Jesus Christ is abundant. The youth group learned to share His love always. They spent time investing in these future leaders of Kenya.

You are investing in eternity. You are investing in the Word of God that, when sent forth, does not return void, but it accomplishes what it is sent to do. It is because of your investment that the work of our Lord Jesus Christ is multiplying in Bungoma, Kenya, and the whole of Africa.

God is not unjust; He will not forget your work and the love you have shown Him as you have helped His people and continue to help them. ~ Hebrews 6:10

One who is gracious to a poor man lends to the LORD, And He will repay him for his good deed. ~ Proverbs 19:17

Your investment is multiplying back to you. You have given and it will be given back to you in this life time... pressed down, shaken together, and running over. An Investment Multiplied!

Forever Grateful,
