

Ambassadors of Christ bring Restoration

Dear Nekesa (Harvester),

Restore - return (someone or something) to a former condition, place, or position

2 Corinthians 4:18

"Now all things are of God, who has reconciled us to Himself through Jesus Christ, and has given us the ministry of reconciliation."

What a great honor that the Lord has chosen to give us the ministry of reconciliation. We are His ambassadors here on the earth.

(2 Cor. 5:20)

Through Bungoma Bible Ministries you are His ambassador to Bungoma, Kenya, and the surrounding countries in Africa.

You are reconciling the lost to the Father through...

Bungoma Bible School

Bungoma Bible School -

These students are learning their identity in Christ and how to share the unconditional grace and love of Christ. They are now taking this ministry of reconciliation into the villages and towns. We are seeing people reconciled with the Father, accepting Jesus as their Lord and savior, every tent campaign.

These students that you are supporting are growing in the knowledge of the Lord. The school offers biblical teachings for the students to learn their authority as a believer, how to teach, and that the grace of God has provided for us to walk a holy life before the Father.

They are also developing skill sets to support them while they are going out into the villages, cities, and countries. They are learning practical skills such as sewing, carpentry, computer skills, and farming. All this will help develop and prepare them to have a source of income once they move out onto the mission field to take the message of reconciliation to the people of Bungoma, Kenya, and the surrounding countries.

Kitchen needs repairs.

While these students are learning how to take this ministry of restoring people into a right relationship with Jesus, they are learning in and living in accommodations that desperately need restoring themselves.

The buildings we are using for the Bible School and dormitories are in very poor condition. The buildings are in need of a new kitchen, bathrooms, roof repair, beds for the students, and much more. These classrooms and dormitories needs restoring.

For many year, our partners, have helped provide the basic necessities for our students. Such as staff salaries, paying electricity, and utilities for the school and the dormitories. Many have also given extra to pay for tuition for a scholarship for some of the students that have been unable to pay their way through school . We are so very grateful! You have blessed these students in so many ways!

We now want to invite our friends who have prayed with us, but have been unable financially partner with us and our current partners, to join in the Restoration Project.

We ask our friends, would you prayerfully consider partnering with Bungoma Bible Ministries, or giving a one time gift towards the Restoration Project?

We ask our partners, would you prayerfully consider giving above your monthly partnership to invest in the Restoration Project?

"Now then, we are ambassadors for Christ."
- 2 Corinthians 5: 20

Thank you for being Ambassadors of Christ bringing Restoration.

Please take a moment to send us your prayer requests. We love praying for each of you when you send us your requests. We stand with you for your miracles.

Will you be part of the Restoration Project?

Forever Grateful,

Justus Ochuro

Dormitory Bathrooms need to be updated with plumbing.

Roof needs repair and completion.

Justus and Margaret
