

A Place of Transformation and Seeing God Move

Bungoma Bible School Students

Dear Nekesa (Harvester),

Have you ever felt you were persecute for believing on our Lord Jesus Christ? Was there a time when you felt alone in your faith?

Liptone Wekesa
Bungoma Bible School Student

This was the experience of Liptone Wekesa, a student of Bungoma Bible School. He was persecuted by his family for believing on our Lord Jesus Christ. When Liptone decided to attend Bungoma Bible School it became an everyday fight to stand for the truth and following God's call on his life. Until one day....

“ Glory be to God for He has transformed the situation in my family and some of them gave their lives to Christ, allowing Him to be their

Lord and Savior! My life has been so changed by Bible School that it has truly changed my family as a result. I found what I was looking for when I came here. My direction changed; breakthroughs and miracles in ministry emerged. James 1:17 says, “Surely, all good gifts come from the father above, who will never change.” I consider this opportunity, who I am and who I am becoming, a gift from our Lord Jesus Christ.

Have you ever felt sick, but knew that you needed to get up and go to Church anyway?

Florence, Bungoma
Bible School student

This was the experience of Florence, a Bungoma Bible School student.

“ On Sunday I was really sick, but I believe the word that Pastor Justus spoke in church about divine healing and that God wants me well. I took the word in faith and stood by it, I believed that that was my word from the Lord and I spoke that healing is indeed my portion, “Healing is my bread” . Surely the Lord does not send out his word in vain, and in every meeting, the Lord has His Word specifically fashioned for someone. On this day it was me. I left having been healed completely by our Lord Jesus Christ. Not one sign of sickness left in my body. The Word of God is truly alive and He is Jehova

Rapha.”

These are testimonies we get everyday from our Bible School Students. It is because of you, our faithful Partners, that we are able to provide education and the life giving power of the Word of God to all those in Kenya for free. We do not charge our students that attend Bungoma Bible school. For only \$80 a month your partnership provides training for these future leaders of Kenya.

I must share one more testimony from Samson Wekesa.

Samson Wekesa

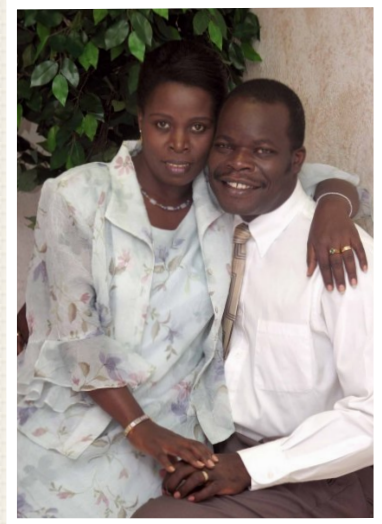

“I cannot even put into words the transformation that I have seen in my life. When I came to the Bible school, I could barely speak English, my writing was horrible. However, I can now write of all the things God has done for me. He has given me favor, I’ve grown spiritually and I am not the same person. The Lord called me to preach and here I am getting the training to do that which the Lord had laid upon my heart.

Bungoma Bible School is the place to be, a place of transformation and seeing God

move. What these teachers are doing here is phenomenal, I bless God for that.”

Forever Grateful,

Justus Ochuro
