

Receiving Jesus

**Bungoma Bible
Ministries**

Dear Nekesa (Harvester),

Receiving Jesus as our Lord and Savior is the best decision we could ever make. We are so grateful for His unconditional love towards us, to save us in our time of need and raise us up to be seated in Heavenly places with Him.

Have we ever stopped to realize that Receiving Christ is more than just a prayer?

Matthew 18:4-5

“Whoever humbles himself as this child, he is the greatest in the kingdom of Heaven. And whoever RECEIVES one such child in MY Name RECEIVES Me...”

Jose

Jose is 5 years old. He was abandoned at a school on February 5th, 2016. The local Police brought him to Bungoma Bible School Children's Home. We received Jose and began to love him and share the unconditional Love of our Lord Jesus Christ with him. Jose has blessed us beyond words with his joyful heart. He brings joy to everyone who meets him.

Jose reminds us everyday about keeping a child like heart before the Lord. He has come from abandonment, but has not allowed that to stop him from choosing happiness. We are reminded by Jose to keep our hearts free from offense and show the Joy of the Lord to all those around

us.

Blessing

In receiving Jose we are Receiving Jesus!

Blessing is 3 years old. He was abandoned at a bus stop. The local police brought him to Bungoma Bible School Children's Home. Blessing is truly a gift from our Lord Jesus Christ. He reminds us everyday about being a blessing to the heart of our Father, and knowing that He has a good future for us - just as we are preparing a great future for Blessing!

In receiving Blessing we are Receiving Jesus!

Jabez

Jabez is 5 years old. When he was only 2 years old he was malnourished which stagnated his growth for 2 years. Through God's grace Jabez survived. However, due to his illness he was not able to start school at the age of 5 along with the other boys his age. Jabez needed care and protection which brought him to Bungoma Bible School Children's Home.

Jabez is growing in health and in the knowledge of how loved he is by our Lord Jesus Christ. He reminds us to be like a child in his belief, that no matter what he is going through, there will always be someone there to care for him. Many times we get worried by the problems in our own lives and we do not stop to remember that Jesus is always there.

In receiving Jabez we are Receiving Jesus!

All 3 of these boys, are simply just enjoying life, playing with their friends, and excited to go to school to learn. Not one of them is thinking about how they were treated wrongly by their families. They were left, abandoned, and malnourished. Yet they have completely forgotten the circumstances that brought them to us. They are just 3 of our 34 + children.

This is the child like heart we desire to have. We desire to receive Jesus by receiving these small children in His Name! Through this we are reminded of how our Lord Jesus Christ cares for us everyday. Not one hair falls from our heads that He does not know about. We are free to walk in the same peace and joy that we see our children walk in everyday.

We would like to invite you to walk in this same peace and joy with us. Will you Receive Jesus by Receiving these Children through your continued support of Bungoma Bible Ministries?

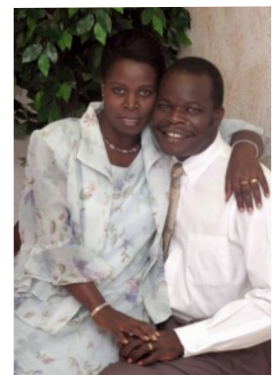

Thank you for your partnership, receiving Jesus in your life, and living the example of receiving Him through these children.

You Are A Blessing!
