

30 years of Legacy

**Bungoma Bible

Dear Nekesa (Harvester),

“I will remember the works of the LORD:
surely I will remember thy wonders of old.” ~ Psalm 77:11

We have been reminded to remember the Lord our God and what he has done. We do not want to become ungrateful for all that the Lord has done for us over these past years.

Lets take a moment and remember together...

In 1987 Mama Doris moved to Bungoma, Kenya with one Word from God, “Go”. In that year the Lord directed her to start a Bible school in 1988 to train up His children in the way they should go. The Lord has called us, His children, to “GO into all the world and teach the gospel to every creature.” However, in order to teach we must first be taught.

“How then shall they call on him in whom they have not believed?
and how shall they believe in him of whom they have not heard?
and how shall they hear without a preacher?
And how shall they preach, except they be sent?
as it is written, How beautiful are the feet of them that preach
the gospel of peace, and bring glad tidings of good things!” ~ Romans 10:14-15

Oh how beautiful are the feet of Mama Doris who answered this call and established ‘Bungoma Bible School.’ The teachings of the Word of our Lord Jesus Christ has brought freedom to the students. They have learned the depth of His love for them, what Christ has died for them to have, who they are in Him, and the authority that Christ paid for them to have. Today we are seeing these students take the truths of His Word into their villages, the cities, and other nations.

This has been a place that continues to answer the call, 'Go.' This is true legacy; Mama Doris has truly multiplied herself in the people of Kenya. We remember her call; we remember her commitment. Mama Doris has been the greatest example of God's love to us and this brought change that has multiplied.

Who would have known in 1987 one woman would still be impacting the nation of Kenya 30 years later, in 2017.

Through your financial support, and those before you, Mama Doris followed the call of God to be the one sent to teach us. We are so grateful for what the Lord has established through Mama Doris and what He continues to do for the people of Kenya.

We remember the great works the Lord has done in the last 30 years. Our Lord Jesus Christ has established:

Bungoma Bible School
Bungoma Children's Home
Street Kids Ministry
Word of Life Christian Fellowship

These have all been for the one goal of bringing the salvation message of all that our Lord and Savior Jesus Christ has paid for on the cross. Now we answer the call. We will 'Go'. This one thing we will do - to make His Name known to all nations. Our board member Joann Craine, from Oklahoma, is coming in May of this year to establish these truths and minister as the Lord directs.

We will carry on the legacy of those before us. We remember the Lord and that He used financial supporters like YOU to send Mama Doris, 30 years ago. Their legacy lives on through the people of Kenya and the blessed changes it has brought.

Will you carry on the legacy and be remembered through every touched life in Bungoma, Kenya?

Forever Grateful, **Justus Ochuro**
