

## FAITHFULNESS

Dear Nekesa (Harvester),

**Justus & Mama Doris**

**(1988)**

In 1988 Mama Doris came to Bungoma, Kenya, and the Lord brought us together. She took me into her care. She began to train me in the things of the Lord. I grew more everyday under her teaching and care. Soon, the heart that Mama Doris had for my people was duplicated in me as we worked side by side fulfilling the great commission.

Doris came to Bungoma, Kenya under the invitation of one of my family members; however, that relationship began to deteriorate. During this time my family and tribe began to create problems for me. They did not believe in what I was doing. I felt pushed into a difficult place by my family - to give up following God and Mama Doris' vision for my people.

I spoke with the Lord about this and I very clearly heard Him  
say to me

"Stay faithful to Mama Doris."

I knew that I must obey the Lord. I was reminded of this scripture, Matthew 16:24 "If anyone wishes to come after Me, he must deny himself, and take up his cross and follow Me". I had to deny my family and their wishes for me. I had to deny myself the desire to please my family according to our tradition. In this, I learned to fully depend upon the Lord for my provision - spiritual, physically, mentally, and financially. I now see that the Lord truly does honor those who lay down their lives for Him.

Over 10 years ago Mama Doris became ill, and was unable to participate in reaching the people as she had in the many years past. It was then that Margaret and I took up the mantle, and continued to expand the work that Mama Doris had started. In these many years, I have continued to train up the Bible School Students the same way Mama Doris trained me, and we have seen exponential growth. I have continued to receive the orphans and care for them the same way Mama Doris had cared for me - with loving arms and a gentle Spirit. I have continued to do outreaches into our community to reach the lost and expand the body of Christ. We have seen exponential growth in the church, the bible school, and the lives of our children.

I want to thank you for standing with us to continue this work that Mama Doris began. I thank you for caring for my people just as Mama Doris did. It is because of your gifts and continued financial support that we are able to bring the truth of the love of our Lord Jesus Christ to the people of Bungoma, Kenya.

Margaret and I will be coming to the United States from July 23 - September 23 . We will be taking that time to visit some of you that have invited us, and raise support for the all the work of Bungoma Bible Ministries.

Margaret and I would like to open our time to you while we are in the United States.

If you would like to have us come to speak at your church about what your gift and your continued monthly support is doing in Kenya, please email us at [info@bungomabibleministries.org](mailto:info@bungomabibleministries.org) . We would love to see you while we are there and share with you the impact that you are making on the people of Bungoma, Kenya.

Blessing in the Name of our Lord Jesus Christ,

~Justus Ochuro
