

We Belong

**Bungoma Bible
Ministries**

Dear Nekesa (Harvester),

He made from one blood, every nation of mankind... Acts 17:24

What a great blessing that we are all created in His image, from one man. Our Father God sees us all as his children, we are all brother and sisters created from the same man. We belong to each other. As a family to partake in each other's joys and in each others hardships.

This is what you have done for your orphans in Bungoma Kenya. They needed food and you fed them, they needed clothes and you clothed them, they needed an education and you provided for them. Jesus said that just as you have done for these little children, you have done for Him.

It is your generous and faithful financial support that has taken care of your orphans. Yes, your orphans! These are the ones whom God has brought across your path. What a wonderful gift from the Father God that He can use such a thing as financial gifts to further His kingdom. He takes care of us, pressed down and shaken together and running over. He blesses the life of the person willing to give of their finances abundantly!

It is through your generous partnership, your boys are able to attend high school. They are receiving an education that many in Bungoma are unable to receive.

Currently there are 11 boys in high school and this year we have 4 more boys joining them. The average cost to send a child to school is \$1,200 us dollars. There will be 15 boys in school this year and a few of them have been given scholarships from their schools. What a great blessing!

11 Boys in High school

4 boys joining high school this year with their brothers.

In Bungoma to send a child to high school requires that they are sent to a boarding school. There is not a public school system as in the states. If a child goes to school it is a private school that must be paid for by the parents. This cost would not only include the education, but room, board, uniforms, and transportation to the school and back home on the holidays.

We had the great joy of having our boys home with us over Christmas. We were even able to take all of the children on an excursion this year because of the generous donations of our partners. Most of our children from Bungoma Children's Home have never been outside the city or have seen a lake in person.

For the excursion we took them on a boat ride over the lake. They had a great time and are still talking about how they enjoyed their Christmas gift. This was all because of you. You not only provided for their needs, but as any good parent desires, you provided for their desires.

We belong! We belong to each other to care for one another, as a family to partake in each other's joys and in each others hardships.

Our children are your children. We are all made by Him from one man, every nation of mankind- Acts 17:24. We belong to each other. We are all His children created by His love for us. Our reward is your reward. Our joy is your joy. Our hardship is your hardship.

Thank you for giving financially and partaking in the work of the ministry. You have shown that your heart lies with us through your financial gifts. For where your treasurer is, that is where your heart is also. - Matthew 6:21

Forever Grateful,

Justus Ochuro
