

Dear Nekesa (Harvester),

Now Faith is the substance of things hoped for and the evidence of things not seen.

Hebrews 11:1

It was by Faith that Mama Doris came to Bungoma and started Bungoma Bible School. It was her hope that was made substance through her faith. We experienced so many wonderful testimonies of the students as lives changed to the ministry and training of the Word of our Lord Jesus Christ. The Bible School students would go with Mama Doris into the streets to feed, cloth and minister to the children living there, either because they were orphaned or their parents would send them out to live on the streets, sometimes because they could not afford to care for another child.

Mama Doris began to hope for a children's home that could bring the orphan and the street kids into a loving home, and train them up in the love and Word of the Lord. Mama Doris' hope became Faith. She began to envision and see before her the children's home, 'the evidence of things not seen'.

Mama Doris shared this vision for a Children's Home with her partners. By Faith Jane and Harvey Olson visited Mama Doris in Kenya and responded to the vision of Mama Doris. They aided in the finances for the building and running of the Children's Home. Mama Doris then dedicated this building to Mrs. Jane Olson calling it the Jane Olson Children's Home.

Today we celebrate our Heroes of Faith that came before us, not only Mama Doris but also of Jane and Harvey Olson. It was by faith they partnered with Mama Doris and made 'the evidence of things not seen' into the the realm of the seen.

Since 1989, we have been saving the orphans from the streets and desperate situations, providing them with a loving home, while clothing and feeding them. Also, an education is provided that has, for many years and continues, to prepare these children as the future leaders of Bungoma.

It was all By Faith.

By Faith Mama Doris came. By Faith Mama Doris envisioned the Children's Home. By Faith her Partners responded. By Faith Jane and Harvey Olson dedicated their time and finances to see this vision become a reality.

Our Heroes of Faith have obtained a good report through faith and have received the promise! We celebrate their life and their good report of Faith!

Because of Faith we have graduated Bible School Students since 1988.

Because of Faith we have sent these graduates to preach the gospel to the cities, town and villages.

Because of Faith we have cared for the orphans.

Because of Faith we have graduated these children from High School in the knowledge of the Lord.

Because of Faith we have been able to send some of these children to the universities and technical schools.

Because of Faith we are transforming the area of Bungoma.

Because of Faith we are changing the nation of Kenya.

Now, By Faith, we continue to build together with you, our Partners, the vision that the Lord had given Mama Doris.

Thank you for your Faith that is causing 'the evidence of things not seen' to come into the the realm of the seen.

Forever Grateful, Justus Ochuro
