

Sending the Laborers into the Harvest

Dear Nekesa (Harvesters),

We are so excited to share with you what our Bungoma Bible School students have been organizing.

Each Saturday our student organize an outreach into the local hospitals for practicing what they have been learning in school. They are praying for the sick, leading people to the Lord, and letting these people know that they're not alone. They are bringing the Good News of the Word of our Lord Jesus to the sick.

In the photo to the right they are teaching the gospel and praying over the visitors who are waiting to be seen in the outdoor waiting bay of the hospital. We believe that the Lord has been moving mightily in these outreaches to the hospital, as we have seen people give their lives to our Lord and Savior Jesus Christ. We also received a testimony that a young lady received healing while being prayed for in the hospital. She was able to walk out that same day with her mother. Praise God for His healing Power! Scripture promises us His healing Power!

Hospital Outreach

Hospital Outreach Team

Isaiah 53:5 "But He was wounded for our transgressions, He was bruised for our iniquities, the chastisement for our peace was upon Him, and **BY HIS STRIPES WE ARE HEALED.**"

James 5:14-15 "Is there anyone among you sick? Let him call the elders of the church to pray over them and anoint them with oil in the name of the Lord. And **the prayer offered in Faith will make the sick person well**; the Lord will raise them up. If they have sinned, they will be forgiven."

Mayanja Outreach Team

Our students also organized an evangelistic outreach in the market of Mayanja, Bungoma. They went out to minister, preaching our Lord Jesus Christ while sharing the good news of the Gospel.

It was a stretch for many of the students to step outside their comfort level. It was also a time in which they experienced Victory! They had Victory over the fear of man and what man might think of them, Victory over the fear of rejection by someone not accepting our message, and most of all, the Victory of winning the lost which brings them into the Family of God. We had many salvations at this outreach - we Praise our Lord Jesus Christ!

It was an amazing experience to all the students who participated in this outreach. They know and believe this will fundamentally change Kenya!

Romans 10:15 "**And how shall they preach, except they be sent?** as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tiding of good things!"

How shall they be saved, unless they hear, how shall they hear unless someone preaches to them, and how shall they preach unless they be sent...

It is your faithful monthly giving and your extra financial gifts that allow us to train up a generation of preachers. Then we send them out 'preaching the gospel to every creature'.

The Harvest is plentiful but the laborers are few. Thank you for your faithful support to send the laborers into the Harvest, as it is white unto harvest!

In your Partnership with Bungoma Bible Ministries, you share in our inheritance of the nations! Let's start with Kenya!

Forever Grateful,
Justus Ochuro
