

The Legacy Carries On

Dear Nekesa (Harvester),

In 1987 Doris Stotlar gave everything to follow the voice of the Lord Jesus Christ and went to Bungoma, Kenya. It was there that she met Justus Ochuro and the Lord led her to start Bungoma Bible School and the Children's home. This ministry has had a great impact on the city of Bungoma, surrounding cities, all Kenya, and even surrounding countries!

Now, nearly 27 years later, the work that Doris started is being carried on by Justus Ochuro. We are saddened to share with you that on December 19th, 2013, at only 88 years young, Doris Stotlar passed on to be with our Lord Jesus Christ. We are confident that she is receiving the great reward for all she has invested her life into and is now in the arms of our loving Father that led her to start this mission.

Over one thousand friends and students came from all over to attend the Bible School that Mama Doris began and they are so endeared to her. The students have shown great care and love for Doris along with Justus and Margaret Ochuro. They have given their all for Doris and Bungoma Bible Ministries as Mama Doris gave her all to them and to us in the love of our Lord Jesus Christ.

We are proud to say that everything Mama Doris has invested in is being carried on in her memory. Justus has dedicated himself to this ministry that she founded and desires to continue to carry on her legacy. The new board members and officers of Bungoma Bible Ministries are volunteer members giving all they have because they believe in the work that Mama Doris started. We are all here to continue the work and carry on her legacy.

Will you join with us to carry on the legacy of Mama Doris Stotlar?

~Justus Ochuro
