

POWER OF PARTNERSHIP

Dear Nekesa (Harvester),

Rebecca with Mama Doris
(1988)

So very long ago, I sat in the Church pew wondering what I was suppose to do for Jesus. I always thought I would have to go overseas for Jesus, or start a work here in the U.S. for Jesus; but being trained only in Medical Laboratory work, I was confused as to how and what. At one point, I felt the call to join Doris Stotlar in Kenya. So, in 1988, I quit my laboratory job and joined her in Bungoma for almost 3 months as she started Bungoma Bible School. After arriving back home, I returned to school to further my medical education. Yet, in my heart I still knew that there was a Kingdom purpose and calling on my life.

One Day I heard a minister talk about the great commission. Jesus gave us the mandate, before He went to be with the Father, "And you shall be my witnesses both in Jerusalem, and in all Judea, and Samaria, and even to the remotest part of the earth." Acts 1:8. This minister explained that "missionary" was a medieval term for Apostle - Sent One. I realized that I had confused my role as a church member, with being a missionary and fulling the Great Commission. Now I know that every time I support a work that is actively spreading the Gospel, I AM fulfilling the Great Commission. This begins at home and ends with people in the remotest part of the world.

Jesus wants us to Partner with Him and with each other to fulfill this Great Commission. We are called to share the Salvation of Jesus Christ with our neighbor and to the people across the ocean. Through partnership with each other we can reach all people groups at the same time. We are not limited to minister just here in the U.S. (home, city, county or state) or just across the ocean, as I believed just a few years ago.

I am awed by God's wisdom now. He has brought me full circle in His will to continue the work that Mama Doris started in 1988. I gratefully accept this volunteer position as Treasurer for Bungoma Bible Ministries. I love doing this because He loved me first. I am aware that the poor are in every country but this ministry, led by Justus and Margaret, has proven successful through these decades - it is what God has put before me.

Through partnership, you can minister God's love to our orphaned children in the Children's Home, provide food for the hungry, and clothing for those in need. Through partnership you become the people Jesus speaks of in Matthew 25:35-40. "Whatever you have done to the least of these, you have done unto Me."

Through Partnership you are teaching young men and women in Bungoma Bible School the truth of God's Word, the salvation of Jesus Christ, and discipling them to go forth and reach their villages.

As you are partnering with Bungoma Bible Ministries, YOU are making this effect and change in lives across the world. You are fulfilling your calling to spread the Gospel into the remotest parts of the earth.

This is a TRUE CHANGE!

Lives are being transformed through your partnership with Bungoma Bible Ministries.

Justus and Margaret are arriving in the Las Vegas area July 24th. They will be speaking at a few of the churches that have partnered with us. If you would like to invite Justus and Margaret to speak at your church and share what the power of your Partnership is doing in Bungoma, Kenya please email us at info@bungomabibleministries.org.

We are looking forward to the great things that we will accomplish together for the Kingdom!

Blessing in the Name of our Lord Jesus Christ,

~Rebeccas Hamilton
