After hearing these wonderful testimonies of our Lord Jesus Christ's restoration, we want to share with you the opportunity to be part of restoration.

The Children's home is quite old and in need of major repair. We are in need of a new kitchen, bathrooms, roof repair, beds for the children, and much more. This home needs restoring as well as the Bible School and dormitories. We have faithfully maintained the buildings, to the best of our ability, for over 2 and 3 decades.

Will you be part of the Restoration Project?

For many years, our partners, have helped provide the basic necessities for our children. Such as food, clothing, paying electricity, and utilities for the Children's home. Many have also given extra help pay for the children's schooling as well. We are so very grateful! You have blessed our children in so many ways! We want to challenge you in growing your faith.

There is another group that have been prayer partners but have not been able to financially support this ministry. We are very grateful for your prayers and we covet them. We would also like challenge you in your faith as well.

We would like to challenge you to believe our God, who gives seed to the sower (2 Cor. 9:10), for extra finances to give above and beyond to restore the home for these precious children - we are! Will you join the Restoration Project and commit to:

- 1) Be come a new Nekesa Partner
- 2) Give a one time gift towards the Restoration Project
- 3) Give above your monthly gift to help in the Restoration Project
- 4) Share this Project with a friend and your church body

"And whoever in the name of a disciple gives to one of these little ones even a cup of cold water to drink, truly I say to you, he shall not lose his reward."

- Matthew 10:42

Please take a moment to send us your prayer requests. We love praying for each of you when you send us your requests. We stand with you for your miracles.

Will you stand also with us for the Restoration Project?
