

New Life!
**Bungoma Bible  
Ministries**

Dear Nekesa (Harvester),

This month we would like to share a few letters with you that your children have written specifically to you...

My name is Brian Namanda. I am 13 years old.  
I thank all the people who have supported me  
I thank pastor for bringing me in this home  
When I grow up I would like to be a great pastor  
I also thank those who have guided us well.  
Thank you and be blessed abundantly in your life.

My name is Ezekiel Nekesa I am Fourteen  
years old I take this opportunity thank all people  
who have supported to with food, shelter, clothing  
I enjoy living  
In children home I am growing up  
in wisdom and knowledge  
I don't have  
many to say but thank pastor Justus for what  
He have done to us.

My name is JERARD  
I am 609 six year old  
I love you so much I LOVE YOU.  
bye See you tomorrow.

Jesus said in Matthew 19:14 “ Let the little children come unto me and do not hinder them. For such belongs the kingdom of heaven...”

Because of your faithful monthly support, each of these little children are being shown the Love of Christ through food, clothing, education, and your prayers. YOU are giving New Life!

You have opened the doors for these children to grow in wisdom and knowledge, just as Ezekiel said in his letter to you. You have opened the doors, through their education, for them to dream big! As Brian said in his letter to you, he wants to grow up to be a great pastor. Because you are paying for his education he knows he can believe God to dream big and see it fulfilled. From the bottom of our hearts we thank you and your children thank you!

Don't forget that all this started with Mama Doris as she began Bungoma Bible School. Words fail me to express the importance of continuing the education of the Lord's disciples.

In July Margaret and I will be in the States to minister at several of your churches that are supporting this ministry. We want to tell you more about your children and the work of the Lord that you are doing in Bungoma through your finances. Please feel free to contact us by phone or email so that we can reconnect.

Forever Grateful,

**Justus Ochuro**
