

## Don't Grow Weary

**Bungoma Bible  
Ministries**

Dear Nekesa (Harvester),

A runner prepares himself for his race. He trains his body. He finds the best clothes to withstand the friction of running and that which will be best for the environment he will compete in.

However, with all of his preparation he will still come to a place, in his running, where he will grow weary. He will see his fellow runners begin to pass him. He will have a flood of thoughts telling him to quit - that he can't make it through. Shall he quit? Should he give up on all the work he has done for this one moment?

This is when the encouragement of his team, cheering him on from the sidelines, will make the biggest impact. They will see his discouragement and bring him refreshment. They will run along side him and cheer him on. As he is encouraged, he has an opportunity before him. Either he will complete his race or quit. What will he do?

The Word of the Lord says in Galatians 6:9-10, "Let us not lose heart in doing good for in due time we will reap if we do not grow weary. So then, while we have opportunity, let us do good to all people, and especially to those who are of the household of faith."

It is by the Blood of Our Lord and Savior, Jesus Christ, and the word of our testimony that we have overcome! Therefore, let us not grow weary in well doing. Run your race to complete it.

My friends, you have been so faithful to pray for us and to send financial support through these many years. We encourage you to keep the course. We are here, running alongside you.

Bungoma Bible School -  
In need of a new painted sign

The Word says in Gal. 6:10, "while we have opportunity, let us do good to all people, and especially to those who are of the house hold of faith." The opportunity has come now. Will you continue to do good for those in the house hold of faith?

In over 30 years of ministry we find that our buildings are in need of many repairs. The cost for these repairs are above and beyond what we receive in monthly financial gifts that come from our faithful partners. We are in need of an additional \$35,000 for these repairs.

### Needed Repairs:

- Proper toilets for the Bible school dormitories and Children's Home (currently they are just holes in the concrete)
- New roofs for the Bible School and Children's Home
- a kitchen in the Bible School Dormitories
- Repairs to the kitchen in the Children's home
- A new painted sign for the Bible School
- and so much more...

Now is the opportunity to do good to those that are with you in the house of faith. They will one day be a great blessing to us as they rise as a Righteous Nation.

Will you commit to give an additional \$10, \$20, or \$50 to your monthly giving for these repairs?

We ask that you prayerfully consider this request as we do not make it lightly. We understand this may be a large stretch for many of you, but we would like to encourage you that our God is a debtor to no man. He is faithful to repay you. He has promised to give unto you 30, 60, and 100 fold return!

Let us not grow weary in well doing. Let us remember the great things our God, the Lord Jesus Christ, has done for us and that He will do it again! Let's reap this great harvest together!

Forever Grateful, **Justus Ochuro**
