

MARCH 2018

Dear Nekesa (Harvester),

**Bungoma Bible
Ministries**

We praise our Lord Jesus Christ! He is faithful to call in laborers for the harvest!

It was 30 years ago that Mama Doris came to Kenya with the call to start Bungoma Bible School and make disciples here. Many of you partnered with Mama Doris to make disciples in this nation. You have 30 years of fruit from the seeds you have sown into this nation.

Mama Doris is with our Lord Jesus Christ dancing. Yes, dancing because she is still seeing the fruit of her labor continue to grow and flourish. You can partake in her joy because your financial partnership is what is continuing the legacy that Mama Doris started.

Mama Doris answered the call of the Lord to be a laborer in Kenya. Through your financial support, you have answered the call to be a laborer in Kenya. Now, your seeds, your labor has a harvest. Now, the Bungoma Bible School students have answered the call of the Lord to be Harvesters. Your seeds are producing fruit that is producing seeds!

Here are some testimonies from the current students we want to share with you:

Charles Chacha -

"When I came to Bungoma Bible School, I devoted my whole life in the ministry and this has really opened a way of blessings to me. I have gained courage and enthusiasm to speak before the multitude and this has made me a public figure and I give the glory to God. My life has changed, I now know the meaning and secret in giving through the teachings in this place and I have seen God releasing blessings."

Opichi Amos -

"When I joined Bungoma Bible School, my way of thinking was really negative and without vision. Through the servants of God in this place, my life has really changed. I now know how to praise and worship. I've been also blessed with clothes, pair of shoes and my needs are catered for because of serving and trusting in God as we are taught by Director." My way of preaching has changed. I now know how to speak and arrange my things. Thank God for Bungoma Bible School.

Phanice N. Sirengo

Truly God has been faithful to me since I came Bungoma Bible School. I have seen God working through me in many ways. Things I used to hear from others I have seen with my eyes, God doing through me. My way of thinking has changed from impossibilities to possibilities because I have found confidence in God. He has been guiding my steps. I used to be sickly before I came to Bungoma Bible School, I am now healed. God has also blessed me with a business. God has blessed me with a man whom we planning for our wedding. God's presence is amazing and I have seen the goodness of the Lord for two years I have been in Bungoma Bible School. God bless all you have done for us!

I bless the Lord for an opportunity to be in Bungoma Bible School. I never knew the plan of God for my future before I came. Since I joined Bungoma Bible School, I have experienced a might transformation in my Christian walk. I have the insight to comprehend and divide the word of God correctly. I've come know many things that I didn't know. I now enjoy reading the Word of God fully. I now know who I am in Christ and His promises for me, the power He has given to me, His work on the cross, how I can be a better worship leader and know how to pray rightly. My spiritual life has gone to another level as well as my disciple, commitment and charisma that I have acquired here. God bless Bungoma Bible School, my teachers and you for your support of all God is doing here.

You are making disciples of this nation; His Kingdom is spreading. Your financial seeds are multiplying in and through the students at Bungoma Bible School. Thank you for your continued support, and blessings be multiplied to you!

We have all heard the saying, 'You can see how many seeds are in an apple, but you cannot see how many apples are in a seed'. I would like to say this is true of your financial seeds you have sown into Bungoma Bible Ministries. After 30 years, thousands have gone forth.

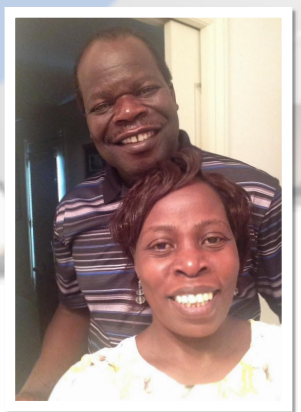

It is because of your financial seeds that you are reaping the harvest of these new students. These are the newest crop of your seeds. However, these students will go forth to bare much fruit and plant more seeds. This is because you have answered the call of our Lord Jesus Christ to be a harvester with us!

Thank you!

Forever Grateful, **Justus Ochuro**
