My wife, Rebecca, and I want to thank you for continuing to support this ministry in the transition period that took place back in December. We want to inform you of the changes that have taken place to better our newsletters. Through our media consultant, Tanner Garvin of Ruby Red Media, we are more able to inform you of the impact that you are having in Kenya through your support of this ministry.

We want to take this newsletter to Thank YOU!

When we wrote about our thirty children that were in need of clothing, food, and an education, YOU responded. YOU, by your support, are sending four of our High School boys to receive an education that is very rarely possible for orphaned children. Not only are YOU providing beds and food for our thirty children, but YOU are providing the support needed to have a place for more children. Like 6 years old, Bivan Wanjala Wanyonyi, who we wrote about to you in March. YOU are the one that opened the door for Bivan to join a loving family, and receive an education he otherwise would have never received.

YOU are also making disciples in the nation of Kenya. YOU are fulfilling this great commission with your support, coming along side of Bungoma Bible Ministries. These students are able to hear the true Word of God, go back to their villages, and share the unconditional love of Jesus Christ. YOU are changing the nation of Kenya through your faithful financial support and prayers.

We want to reassure you that 100% of all your financial support is given into the orphanage, bible school, and the church. If at any time you have given a financial gift for a specific area of the ministry, support of a specific person, whether in our children's home or otherwise - it has 100% been given to them.

We, the ministry board members of Bungoma Bible Ministries, are not only financially supporting this ministry, but we are also all volunteers in this work. We do not receive a penny of the finances that you give.

Our heart's desire as a board and team is to advance the Kingdom of God through the work of Bungoma Bible Ministries, and the more than capable hands of Justus and Margaret Ochuro. They have a great heart for their people, a passion to save the lost, provide for the orphans and widows, and make disciples that will carry the gospel into all the world.

We are planning to bring Justus and Margaret Ochuro back to the United States to share with supporting churches all that our Lord Jesus Christ is doing through Bungoma Bible Ministries. The costs of bringing them to the states is above \$10,000 for their tickets and travel within the states. If you would like to sow a gift specifically for bringing them to the States, please make a note to us on your monthly gift. Every penny towards their trip is a blessing.

Mark 16:15 "And he said unto them, Go ye into all the world, and preach the gospel to every creature."

This is the great commission; this is what YOU have made possible. YOU are Bungoma Bible Ministries and we **THANK YOU!**
