Providing Successful Futures!

Dear Nekesa (Harvester),

We are celebrating Roy Juma, he is now our college student from the Bungoma Children's home! Roy is attending an automotive technical college for training to be a mechanic. He is also a student at Bungoma Bible School as well. Roy have proven to be a young man that loves to work hard. He is giving his all to his studies here at the Bible College and at his technical college. We couldn't be more proud of Roy and his accomplishments!

Roy has been with Bungoma Bible Children's home since 2004. He has been with us nearly from the beginning when the home was established. It is because of your faithful support that we have had the privilege to bring him up in the knowledge of the Lord Jesus and the great love of the Father!

Education is very important in our country for the success of an individual. There are not many people who have the opportunity to attend college, due to the expense that most families and individuals are unable to provide. Most students are unable to obtain a good job with just their high school diploma. Therefore we still have a great need to send these young men on to a technical college for their futures to be successful.

Roy Juma

Roy is indeed among the first of the young men who have managed to go to college from our Bungoma Children's Home. We are so excited to see Roy lead the way for his other brothers from the Children's home. We are so grateful for your love for Roy and the boys of Bungoma Children's Home. Thank you for your continued support to see these young men move towards a bright and successful future!

Special News!

Happy Mother's Day to all the women that have chosen to mother the Children from the Children's Home through your support of Bungoma Bible Ministries. Your Children thank you for your prayers and your gift of love!

Margaret and I are so pleased to be making our plans to come and visit the United States in August. Please keep us and our travel plans in your prayers!!

Amos Otieno

Amos Otieno and William Nganyi are now attending High School! They are a wonderful blessing to us and to be part of our Bungoma Children's home family! Both boys are so excited to be attending High School this year. They are both attending Christian High Schools that will continue to develop their character as we have been doing in Bungoma Children's home.

While they were not able to attend the same school they are both making friends quickly. They are sharing about their desires to join the school sports teams and join the school clubs.

We are so excited for what God is doing in their lives and this great opportunity for the boys to continue their development and education. Thank you for your faithful support to Bungoma Bible Ministries! It is your partnership and the faithfulness of our Lord Jesus Christ that we are blessed to send these boys to high school.

Doris Oyengo

We are so excited to share with you the story of Doris Oyengo one of our new students in Bungoma Bible School.

"It has been my desire to attend Bungoma Bible School for a long time. I have wanted to come since last year, however I was unable to supply the costs to attend. After I came to the Word of Life Word Camp conference this year, the Lord touched my heart and I felt so strongly that the Lord was leading me to attend Bungoma Bible School this May.

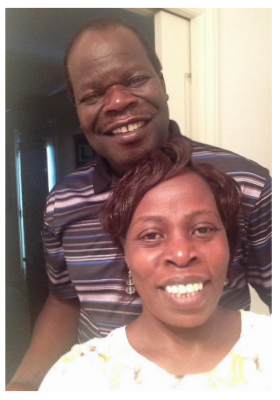

I went back, and told my parents that it was time for me to go, but they were unable to see how we could afford it at this time.

I continued to pray and trust that the Lord placed this desire on my heart and He would be able to supply what I needed to attend the Bible School.

Last week, a miracle happened, I went to Kisii with my Father for work. I shared with a few people my desire to attend Bungoma Bible School. I was so blessed that they came together and paid for me to get started for the May enrollment into Bungoma Bible School! Praise God for his Faithfulness!"

Our Lord Jesus Christ is our provider. He continues to direct, guide, and **provide for successful futures to fulfill His Commission.**

Thank you! Your Partnership is Providing Great News!

Justus and Margaret
Ochuro

Forever Grateful,
Justus Ochuro
