

Experiencing the Blessing of Partnership

Dear Nekesa (Harvester),

Margaret and I were so excited to return to Kenya and share with our people the prayers that they are receiving from our American brothers and sisters in Christ. Thank you. Margaret and I were touched and overwhelmed by the love and financial gifts that you gave into Bungoma Bible Ministries. We fully experienced how blessed we are to have had the opportunity to give into your lives and share with you all God has done in Kenya by your gifts.

Justus teaching in the church

Upon returning to Kenya, Margaret and I planned a fundraising service in Word of Life Christian Fellowship. We know our people have received all blessings from our wonderful Saviour, Jesus Christ, through your gifts into this ministry. However, now we wanted our people to experience the amazing blessing that there is in giving.

The Purpose for teaching the power of giving is best explained by Paul the apostle in Philippians 4:15-17 "You yourselves also know, that at the first preaching of the gospel, after I left Macedonia no church shared with me in the

matter of giving and receiving but you alone; for even in Thessalonica you sent a gift more than once for my needs. Not that I seek the gift itself, BUT I SEEK FOR THE PROFIT WHICH INCREASES TO YOUR ACCOUNT."

Margaret and I want to see our people grow and increase in jobs, financial status, families, health, and relationships. There is a blessing in giving that multiplies in every area of your life.

We had a successful fundraiser in church, and the service was awe inspiring also. I know that the people of Kenya are giving into the work of the ministry alongside of you, our faithful partners. There is power when we partner together in prayer and in giving to further the ministry the Lord has given us all to steward.

Children's Ministry

Margaret spoke this same blessing over the children as they went to the children's service. We want all of our children to grow in this same knowledge of the Word and understanding of Jesus Christ our Lord.

One of our Sunday school teachers taught the Children the power of prayer. The children were responding to the teaching and began to "practice" praying for their leaders, the government, for their families, friends, and each other. It was so powerful to see the children so excited to access the power of prayer that the Lord has given to each of us.
