

Same Mindedness

Dear Nekesa (Harvesters),

Margaret and I have been greatly blessed to be with you in the United States these last few months. Before we came to the US we had experienced many trials that tried to stop us from coming to you. However, we Praise our Lord Jesus that He made a way for us to come and be with you!

In our privilege of being with you, Margaret and I were able to visit with many like minded believers.

We were blessed to visit brothers and sisters in Las Vegas, St, George, Ogden, Glenwood Springs, Siloam Springs, Stillwater Grove, Kenwood, Tahlequah, Newcastle, and Enid.

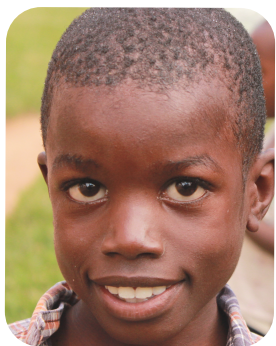

In each place Margaret and I were received by our brothers and sisters in Christ with such great love. We had a wonderful time fellowshiping about our Lord Jesus Christ and the things that He is doing in every place we visited, and in Kenya through the work of Bungoma Bible Ministries. We saw the evidence of the same Holy Spirit working the same things in both places.

I had the privilege to teach. I shared on Ephesians 3:20 " To Him who is able to do exceedingly abundantly above all that we ask or even think according to the power that works in us."

In our conversations with our brothers and sisters these last few months, we have talked about this very verse. God is more than able to do miraculous works and these great things. However, we can forget that He said he does these works through US!

You and I are the vessels that the Lord has chosen to use.

It is through YOU that His power works in you both to will and to do exceedingly abundantly above all things we ask and think. That means we have to lean into His ability, His power that He placed in us by the Holy Spirit.

Your work of praying for us and financially sowing into Bungoma Bible Ministries is 'doing exceedingly abundantly above'. You are providing a home for the orphans, feeding them, and providing an education for them. You are training up young men and women, the next generation of pastors, preachers, teachers to further the gospel through the work of Bungoma Bible School. You are feeding the hungry through the street kids ministry by providing food and clothes to those abandoned to live off the street. Together we are showing God's love and grace to the people of Kenya.

You are doing great things through your faithfulness to lean into the power of the Holy Spirit that works in you!

Philippians 2:2 "You make my joy complete by being of the same mind, maintaining the same love, united in spirit, intent on one purpose."

Through this visit, we have seen that we are of 'same mindedness'. Despite the distance of oceans, languages and cultures we are moving towards the same goal together, to see all come to the knowledge of our Lord and Saviour Jesus Christ.

We glorify our Lord Jesus Christ by demonstrating His love to us and to our people in Kenya through you. Your partnership with us is making a difference in the lives of the bible school students, the orphans, and the street kids. Together we are bringing in the harvest!

Forever Grateful,
Justus Ochuro
