

Growing in Knowledge and Wisdom

Dear Nekesa (Harvester),

My name is Ezekiel wekesa i am Fourteen years old I take this opportunity thank all people who have supported to with food, shelter, clothing thank pastor Justus. My parents died but I have ever give up I enjoys living in children home I am growing up in wisdom and knowledge.

This letter is from Ezekiel. His Parents passed away when he was only 5 years old. He has spent most his life growing up in our children's home, and in his words "growing in wisdom and knowledge".

My name is Amos okino. I am ten years old, I take this opportunity to thank all the people who have supported me fully in food, shelter and clothing. I came in this home in two thousand and four. I also thank those who pay for me school fees.

This letter is from Amos, he has been growing in wisdom and knowledge.

My name is Brian Namanda. I am 13 years old.
When I grow up I would like to be
a great pastor.

Isn't it exciting to see that Brian has grown in his love for the Lord Jesus Christ and desires to share that same love he received from Jesus with others!

We are seeing each of our children grow in strength, wisdom, and knowledge everyday; both with the practical things of life, and in their knowledge and love of our Lord Jesus Christ.

This reminds me of how Jesus grew - "The Child continued to grow and become strong, increasing in wisdom; and the grace of God was upon Him."

~ Luke 2:40 NASB

Our Boys studying for school

In Bungoma, education is not public as it is in America. A family will have to sacrifice everything to place their child in school, if it is even possible for them. Here, we believe that education is a gateway for the children's future.

It will cost \$1,200 a year for Ezekiel to receive a quality education. Ezekiel is a dedicated student who works hard to achieve his goals. We are actively training up the children to become productive and prosperous men of God.

Ezekiel is only one of the 8 boys from our children's home who will be entering High School this year. Each child will cost \$1,200 a year, with 4 years to complete their education. Our younger children are not long in following Ezekiel into High School as well. Only \$100 a month will supply these Children with an education and a future to "grow in Wisdom and Knowledge" as Ezekiel said.

Partnering with Bungoma Bible Ministries allows these children to be provided with human basics ,AND prospering their community and nation. Be a part of these boys growing in strength, knowledge, wisdom, and favor with the Lord.

Please prayerfully consider giving \$25 or \$50 a month to will help BBM supply for the children's education along with the costs of their food, clothing, maintenance of their home and medical care.

From all of us here in Bungoma,

Justus Ochuro
