

Daily making Disciples through the Word and Deed!

Dear Nekesa (Harvester),

“Go and make disciples of all nations” - Matthew 28:19

This is the commandment from our Lord Jesus Christ. We train up disciples to follow Him through the Word as well as the example of our lives. Therefore, we continue to raise up disciples through Bungoma Bible Ministries.

These students are taught the Word and practical training in Bungoma Bible School. They are given free tuition to attend biblical training in the Word of God. They then take this practical training into the world through tent crusades, preaching the gospel, and putting this truth into action. They preach and evangelize; and pray for the homeless, the street kids, and the widows.

We continue to reach out with the Love of our Father God to the street kids. We provide weekly meals for these kids to fill their stomachs and create an open heart to hear the truth of our Father's love for them. We exemplify to them His Love so that they might come into this experiential knowledge and draw near to Him. We are opening the doors of trust so that we may speak truth into their lives that they may come to a personal relationship with our loving Father.

This same example of God's unconditional love is given to our orphans. We care for their physical needs, spiritual needs, emotional needs and educational needs so that we might create an environment of open hearts to hear the truth of our Father's love and good will for their lives. Because of the love shown to them, their hearts are open to be discipled in the truth of our Lord Jesus Christ.

We are making disciples daily through the Word and deeds!

As a partner of Bungoma Bible Ministries you too join this work of making disciples of all nations.

You ARE the mobilization for this ministry to "go into all the world and make disciples of all nations." We have students from over 7 different countries attending Bungoma Bible School to be discipled and take this message to their countries. After school, they return to disciple their people. This is the great commission being fulfilled and you are fulfilling it through your financial partnership. THANK YOU!

Over the last 2 months, Margaret and I have had the privilege to speak at many of your churches. We were welcomed into many of your homes. We shared the video made about our work in Bungoma that focuses on the legacy of Mama Doris, Bungoma Bible School, street kids ministry, and the children's home.

If you have not had the chance to view this video please log on to our website, www.bungomabibleministries.org, where you can view this from the home page.

In our time with you, we have been encouraged to keep moving towards the daily goal of fulfilling this commandment from our Lord. This is only possible by your faithful financial support. It has been a time of refreshing for Margaret and I, to be with those who are praying for Bungoma Bible Ministries and financially supporting our bible school students, street kids, orphans, and so much more.

As we prepare to head back to Bungoma, we are expectant that our Lord Jesus Christ will continue to keep us in your hearts and minds for prayer and support of Bungoma Bible Ministries.

If you would like to partner with us online please go to www.bungomabibleministries.org and click on donate. This will allow us to keep in touch with you monthly as a Nekesa Partner.

You Are A Blessing!
