

Thank YOU for your partnership

Dear Nekesa (Harvester),

Margaret and I want to say a personal 'Thank You' to every person who opened up their home and church to us while we were in the United States these last 2 months. We have been truly blessed to minister in your churches, have a meal with you at your table, and share in the delight of fellowshiping together over what our Lord Jesus Christ has done for us all.

It has been through your faithful giving and prayers that we have seen Bungoma Bible School grow beyond its capacity. It is now a Bible school that is changing the city and district of Bungoma. Students from all over Kenya and Africa have come to learn of the unconditional love of God and His great grace.

It is because of your faithful giving and prayers that we have over 30 children in the Children's home. They have been provided a loving home, clean clothes, good food, and an education. Education beyond elementary levels is not provided for by the government and must be paid by the families with children. Thank you for helping over 30 orphans have a future!

It is because of your faithful giving and prayers that over 50 street boys are given clean clothes, food, and hear the message of God's unconditional love three times a week.

the Street boys ministry

It is because of your faithful giving and prayers that the small church of Word of Life Bungoma now has grown to over 500 members. It is now on television, spreading the gospel by taking the message of God's unconditional love to the people of Kenya.

Margaret and I are truly blessed to be a part of the great commission as He has made us your hands and feet on the ground in Kenya. Again we want to Thank YOU for all you have done, all you have sacrificed, to be the hands and feet of Jesus here on this earth.

You are fulfilling this Great Commission - 'Go into all the world'. Margaret and I would not be able to make this impact in Kenya. You have empowered us because of your faithful partnership. As we continue to partner together in the great commission we will see...

1. Expanded space to allow more students to attend Bungoma Bible School
2. Send 12 boys from the Children's Home to High School in February.
3. Reach 2x's as many street boys with food, clothes, and the message of God's love.
4. Bring restoration to the over 20 year old school, dormitory, and church buildings.

Together we will effect change in the future of Kenya with godly men and women leaders from Bungoma.

You will eternally be our brothers and sisters in Christ. You are in our prayers and in our hearts.

Forever Grateful,

Justus Ochuro
