

Restoring - Making way for new Life

**Bungoma Bible
Ministries**

Dear Nekesa (Harvester),

For the last couple months we have been telling you about the Restoration Project.

This month I would like to introduce you to one of the many reasons why we are restoring the children's home facilities.

Meet Brian. He is the newest boy in our home, he comes from Nangwe Village. His mother was single, she fell ill and later passed away. Brian was left alone with no one to care for him.

Brian

When Margaret and I were visiting his village, we meet Brian. He had not been cared for, we found him malnourished and weak for he had not eaten for a long time. He has never been to school. Due to his mother's illness, before her passing, she did not have the finances to enroll him nor the strength to take him.

We brought him to our children's home where we gave him a bath, food, clothes, a warm bed and a roof over his head. His state has since improved and he is one of the happiest and most talkative boys in the home. He has been enrolled in school and is proving to be a very bright boy.

No orphan should have to go without basic human necessities such as food, clothing, a warm bed, a roof over their head, and an education. We thank the Lord that He has made it possible to be a blessing to children like Brian. It is through your continued financial support that we are able to care for children like Brian.

He is one of many reasons why we find it vital to share with you the opportunity to join the Restoration Project. As a parent I want my children to have the best of what I can provide. Should we not also provide the best for the children God has placed in our care? They are, after all, our brothers and sisters in Christ as well.

When seeing the pictures on the right, you can see the repairs and the items needed to be completed for the children. We are in need of a new kitchen, bathrooms, roof repair, beds for the children, and much more. This home needs restoring, hence The Restoration Project!

Some of you may say, "Oh, I want to be a part of THAT! But what can I do if I'm unable to give extra towards this?"

If you are reading this letter we believe YOUR heart is for these children and for Bungoma Bible Ministries. This is why we believe you are the best person to share the mission of Bungoma Bible Ministries with your church, friends, family, and neighbors.

Will you be an advocate for Bungoma Bible Ministries and share with those around you your passion for the great commission through your giving to Bungoma Bible Ministries?

We would like to challenge you to do one or more of the following:

- 1) Share this letter with your family (best change starts at home)
- 2) Invite a small group of 2-5 people over and share about the Restoration Project opportunity.
- 3) Share this letter with your Pastor and local church
- 4) Share Bungoma Bible Ministers Facebook page on your Facebook and invite your friends to Partner with us.
- 5) Have a party! Birthday or Christmas - ask for financial donations in lieu of presents.

1 Corinthians 3: 9 - We are Partners together with God.

Thank you for Partnering with us to bring Restoration! Let's Continue!

Margaret and I want to also thank all of our partners and friends that hosted us while we were in the States. Thank you for inviting us to speak in your churches and spend time loving on you and being loved by you!

Please take a moment to send us your prayer requests. We love praying for each of you when you send us your requests. We stand with you for your miracles.

Will you be part of the Restoration Project?

Forever Grateful,

Justus Ochuro
