Rejoicing in the Midst of Spiritual Warfare

Dear Nekesa (Harvester),

We thank the Lord for you all in our prayers. We believe the Lord is blessing you because of your faithfulness to financially support and pray for Bungoma Bible Ministries. **We need your prayers!!**

This month has been quite challenging for us.

Joseph, who we shared with you in the January Newsletter, came into the children's home in 2006. He was 5 years old. We had no idea he had a heart condition.

When his heart condition was discovered we took him to the doctors office; unfortunately he was diagnosed with lymphoma. Joseph had heart surgery in hopes of bringing some healing to his condition. However, early this month of September, Joseph left our arms to be in the arm of his Lord and Savior Jesus Christ. While we are sad to not have him here with us we rejoice with him that he is no longer sick or in any pain because he is in Heaven, running and playing like he was unable to here on this earth.

Joseph with Justus

Morgan, who we shared about in the January Newsletter as well, was playing with his friends in the children's home when a stick injured his left eye. We took him to the hospital immediately. He had an operation, but still he could not see. He had been going frequently to the doctors for check ups. The doctor said that this is something that possibly could be fixed in due time with the right medical attention. After some time the doctors decided that the only safe solution was to remove the damaged eye so that it would not cause infection or create further damage to his good eye. After the surgery Morgan is still in recovery yet is still at risk. We ask that you continue to pray for Morgan and for his future.

Morgan

One of our board members for Bungoma Bible Ministries recently had pulmonary embolisms (which means that blood clots were found in his lungs). He was taken to the hospital for immediate care. He is doing better now and is under the doctors care to receive further monitoring. Please keep our Bungoma Bible Ministries team in your prayers .

Also this month, while Margaret and I were visiting with partners of Bungoma Bible Ministries in Arizona, Margaret experienced high blood pressure and high blood sugar which caused some physical issues. We took her to the emergency room. They were able to get her on blood pressure and diabetic medicine to help. We Praise the Lord that we were able to catch this and get it controlled for Margaret to walk in healing. We ask for your continued prayers for Margaret's health. I need Margaret and the Lord has so much more in store for us and this ministry. We will not submit to this sickness. We will pray, and we are firm in faith for the healing that our Lord Jesus Christ took the stripes on his back for Margaret to have.

in Arizona

Isaiah 53:5

"But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and **with his stripes we are healed.**"

This month has been a month of spiritual warfare. Please continue to stand in prayer with us.

Ephesians 6:12

"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, ***against spiritual wickedness in high places.***"

We stand with God's full armor on and the promises of God's Word for Morgan, our board member, and Margaret's healing.

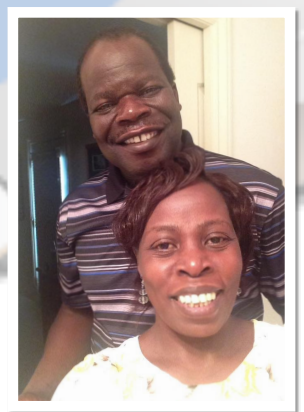

We also know from your prayer requests, that many of you are in spiritual and physical battles. Please continue to send us your prayer requests. We want to continue to stand in prayerful agreement together with you.

John 16:33

"These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: ***but be of good cheer; I have overcome the world.***"

We rejoice for He has already overcome!!

Forever Grateful, Justus Ochuro
