

Prospering in the Midst of the Plague

Dear Nekesa (Harvesters),

It is a miracle that during a famine and a plague, when all others are being turned away, we were equipped to receive the children in need. We are prospering in the midst of the plague that we may be a blessing to the children and those in need. This is possible because of your faithful support to Bungoma Bible Ministries! We are well equipped with the necessary supplies such as the food and clothing needed to support these boys.

We want to share with you the good news that we have been blessed to receive 5 new boys into the Bungoma Children's Home.

Let us introduce you to your new children!

Fidel Sikuku is 4 years old. He came to us in very poor health. He was living with his grandmother who is blind. She knew she was unable to care for the boy and reached out for us to take him into the Children's Home to receive better care and an education. We had taken him to the doctor as he needed special treatment for his sickness. We are happy to report that Fidel is in much better health today and continuing to heal at a healthy pace.

Fidel Sikuku

John Wafula is 5 years old. He was neglected and as a result now has health problems. He is now with us and receives proper treatment. John has never been to school and he is happy to now have this opportunity. He is a sweet young boy and is doing well with the other children in the home.

John Wafula

Alvin Ijaa

Alvin and Dalvin Ijaa are 5 years old. They are twin brothers. They lost both their parents in a flood. The boys were brought to us in need of care, protection, and much needed love. Neither of the boys have ever been to a school. They are quite excited to now have the opportunity to be educated.

Dalvin Ijaa

Japeth Masibo is 5 years old. His father passed away and his mother ran away after giving birth to him. Japeth was being cared for by his grandmother, but she is now in poor health, unable to care for Japeth. We have received Japeth and are excited to care, protect, and love him. This will be Japeth's first year in a school. We are so blessed that we have the capacity and the supplies to properly care for him.

Japeth Masibo

Scripture says in James 1:27 that pure religion is to visit the fatherless and the widows in their affliction. This is what you are doing in your partnership with Bungoma Bible Ministries. We are providing homes for the fatherless, the orphans. You are providing a home, shelter, food, and an education to these little ones. According to Matthew 19:14, you are providing a place for these children to come to the Lord and experience His Love for them. We were prepared beforehand due to your love, prayers, and support.

Thank you for your continued prayers and financial support. We can feel your prayers and support here everyday as we are traversing these hard times together.

Forever Grateful,
Justus Ochuro
