

## **Fruit of Your Partnership**

Dear Nekesa (Harvesters),

We want to say thank you for your prayers for us during this last lockdown. We are happy to report that the lockdown has lifted and we are able to resume the Church, the Bible School and that our boys, from the Children's home are back in school.

Our children, in Primary school, are having a great time learning and growing in the home. During the lockdown we hired a tutor work with the boys. We knew this time our of school would put them behind in their learning. We wanted to do everything we could to help the boys continue to advance in their education.

Having all the boys home at one time proved to be a heavy task on our house parents with some many meals to cook and cleaning needed. We are proud to report to you that our boys have stepped up to help with the cooking and cleaning. They learned how to truly serve one another. We couldn't be more proud of them!

It is a great joy to see our children growing both physically and in the maturity of serving one another as they are serving the Lord.

Another great joy we are excited to share with you is that two of the boys that have been with us at the children's home since the beginning of the Children's Home, will now be attending Bungoma Bible School. What a great blessing it is to have our boys continue in their growth in the Word of our Lord Jesus Christ through their training at Bungoma Bible School.

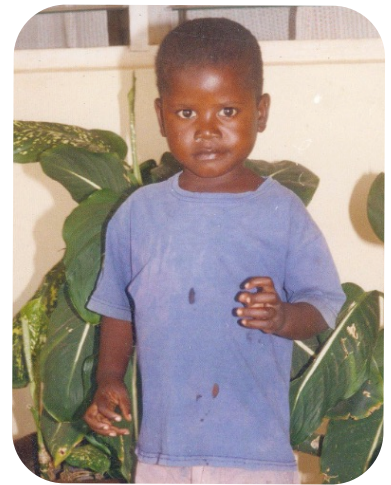

Daniel Masika and Brian Otieno are both eager to continue their growth in the Word of God and in their relationship with Jesus Christ. We know that this experience and time they are dedicating to study the Word will produce maturity in them both spiritually and emotionally as they are also learning build relationship with their fellow classmates.

Thank you for your continued financial support and prayers. It is because of you both of these boys were given a safe home where they were feed, clothed, educated, and where they grew in their knowledge of the Lord and relationships with others.

It is also because of your faithful support they can both continue their growth at Bungoma Bible School.

This is the fruit of your partnership. Daniel and Brian are only an example of the lives that you are part of changing because of your partnership with Bungoma Bible Ministries. Margaret and I bless you and we pray for you often!

Forever Grateful,
