

**HOLDING FAST TO OUR HOPE AND  
REJOICING IN OUR BLESSINGS!**

Dear Nekesa (Harvesters),

Our Hope is our Lord Jesus Christ. We have been together in these trying and unknown times. We have been challenged in our faith, and our trust remains in the Lord. The circumstances around us have given the body of Christ many reasons to fear and be dismayed - But Jesus!!!

Let's stop and remember...who is our God? Our Lord and Savior Jesus Christ is our HOPE! If we will look at him and not the waves crashing on every side around us, we will not sink. No, indeed not. We will stand firm in Him, holding fast to our faith. When Peter looked at the waves, the 'reality' of the circumstances around him, he began to sink. But when he re-focused his eyes on Jesus, seeing his Hope of salvation, Peter was able to stand and walk on water. He knew his God was powerful to save!

What may be completely impossible to us, is possible with Him! Jesus is our Hope. As we focus our attention on Him instead of on the 'reality' of the circumstances we will find our Hope and deliverance.

Without Faith it is impossible to please Him, for he who comes to God, must believe that He is and that He is a rewarder of those who diligently seek Him. ~ Hebrews 11:6

Margaret and I have decided that no matter the reality of the circumstances around us, we will place our faith, our hope, and our trust in our Lord Jesus Christ. We pray that each of you be strengthened and encouraged to hold fast to your Faith and Hope in Him!

We hold fast to Him, the fulfillment of our Hope, until the end. Heb. 3:6

Let nothing, in this earth or heaven, distract you from looking at our Lord and Savior Jesus Christ! He gives us an Eternal Hope, in that, after this heaven and earth there is a new Heaven and Earth. Romans 5:5 "...and Hope does not disappoint because the love of God has been poured out within our hearts..."
