

Merry Christmas and a Blessed New Year

Merry Christmas Nekesa (Harvester),

This past year we have had the privilege to co-labor along side you in the good work of the ministry. We are overwhelmed with gratitude for the incredible support and unwavering commitment you have shown towards Bungoma Bible Ministries Children's Home. Your generosity has allowed us to accomplish remarkable milestones in our mission to provide a loving and nurturing environment for the 38 boys in our home and 17 young men in colleges under our care.

We are overjoyed to share that we recently embarked on our annual Christmas trip with all 55 of our Boys to Webuye Falls. This is a very special time for all of us to celebrate all that our Lord Jesus Christ has done for us this year. The boys took time to share what they are grateful for and how our Lord Jesus has blessed them. The boys were able to enjoy some good food, they played in the fresh air, and they swam in the falls. It was a most refreshing time together in the beauty of nature.

In reflecting with the boys we want to express our deepest gratitude to each of you, our Nekesa. It is because of your generosity that each of these boys were able to enjoy this Christmas gift of experiencing the Webuye Falls. **Thank you for providing these moments. You are creating lasting memories for our boys.**

As we express our gratitude for the achievements and milestones of the past year, we want to acknowledge that none of this would have been possible without your support. Your generosity has transformed lives, creating a lasting impact that reaches far beyond the borders of our Children's Home. It's the Light that changes a nation.

As we look forward to the coming year, we remain committed to our mission of providing a loving and supportive environment for these boys to thrive. With your continued support, we are confident that we can achieve even greater heights and make a lasting difference in the lives of these young souls.

Through your continued support we are looking forward to providing, food, clothing, a warm bed, a safe place to call home, and continued education for each child to graduate High school and move forward into college or a trade school.

Once again, thank you for being an integral part of our journey. We are deeply grateful for your kindness, compassion, and commitment to making a positive impact on the lives of the boys at Bungoma Bible Ministries Children's Home.

Wishing you a joyous holiday season and a blessed New Year!

Forever Grateful,
Justus Ochuro
