

## A Life of Gratitude

Dear Nekesa (Harvester),

Allow me to introduce myself, I am the president of Bungoma Bible Ministries, James Hamilton.

This month we wanted to share with all of you our deep gratitude towards you for your faithful financial support. It is your commitment to give into the work of the Ministry in Bungoma that is suppling the needs of the children in the orphanage, the children's school fees, the expenses of the Bible School, and providing for the future expansion of the ministry to reach more souls.

All of the volunteers in Bungoma Bible Ministries, myself included, do not take a penny from the donations of our partners. Every penny that is donated to Bungoma Bible Ministries goes into the work of the ministry in Bungoma Kenya in care of Justus Ochuro.

The team wants to take a moment to thank both Justus and Margaret for their dedication to take the ministry that was started by Mama Doris in 1980. It is through their faithfulness to the orphans, the bible School, and the street kids of Bungoma that is making an impact on lives for generations.

We praise our Lord Jesus Christ for all the healing of Margaret Ochuro when she was sick and needed a new kidney. It was though her son, James Ochuro and his deep love for his mother, that he donated his kidney to save Margaret's life. James, we are so proud of you and honored by your sacrifice for your family! You are an outstanding young man. We pray the multiplication of God's favor over your life.

Psalms 112:5, "Good will come to those who are generous and lend freely, who conduct their affairs with justice."

Proverbs 11:25, "A generous person will prosper; whoever refreshes others will be refreshed."

We pray over each of you, our Harvesters, that you are refreshed in your relationship with the Lord. You have given generously and we pray God's blessings over your finances, your relationships, and over your health.

Many of you have been faithful partners with Bungoma Bible Ministry since it was started by Mama Doris in 1988. Mama Doris, went with one word from the Lord, "Go"! It was because of her that we have seen Justus and Margaret be so changed by their encounter with a woman that loved the Lord, that they have taken on the mantel to continue this work of the Lord. Since 1988 countless people come to know our Lord and Saviour Jesus Christ. Countless street kids have been feed, clothed, and many given homes. We have seen over 3 decades of graduates from Bungoma Bible School go out and start churches. We have been able to raise up many orphans to know the Lord, educate them, and see them continue to make an impact in other nations..

Thank you for your faithfulness to Bungoma Bible Ministries over the years. We thank our Lord Jesus for you and pray over you, your families, your health, and your finances.

**YOU** are making an impact for the Kingdom!

Forever Grateful,  
**James Hamilton**
