

Together in the Harvest: Coming to America

Dear Nekesa (Harvester),

*"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now." -
Philippians 1:3-5*

As we reflect on the goodness of God and the journey He has taken us on through Bungoma Bible Ministries, our hearts are full of gratitude – for His faithfulness, for the growth of His Kingdom in Kenya, and especially for you, our faithful partners and friends across the miles.

This year marks another exciting milestone in our ministry journey, and we are thrilled to share some wonderful news: Margaret and I will be coming to the United States from July 16th through October 16th, 2025!

We would love the opportunity to connect with you in person—to share stories, pray together, and personally say thank you for walking with us all these years.

"How can they preach unless they are sent? As it is written, 'How beautiful are the feet of those who bring good news!'" - Romans 10:15

Our complete U.S. itinerary is available now at www.bungomabibleministries.org. If we'll be near your city, please come meet us in person. Whether it's over coffee, a church gathering, or just a handshake after a Sunday service—we would be honored to meet you.

The Power of Your Partnership

Because of you—your prayers, your generosity, and your faithful support—lives are being transformed. Together, since 1988, we've been able to bring the Gospel to the street children—offering them food, clothing, and the love of Christ, raise up young men and women in the Word through Bungoma Bible School, and provide orphans with a safe, nurturing home and quality education through Bungoma Bible Children's Home.

What you may not see every day, we see clearly: **God is using your partnership to change lives for eternity.**

“Two are better than one, because they have a good return for their labor: if either of them falls down, one can help the other up.” - Ecclesiastes 4:9-10

From Bible teaching and evangelism, to youth mentorship and community development—every victory belongs to the Lord, and to those who labor with us in faith and love.

Our Trip to the U.S. - Let's Reconnect!

We are looking forward to a refreshing and purposeful trip to the U.S. Over the years, many of you have become more than ministry partners—you've become family to us. We can't wait to share firsthand what God has been doing in Bungoma, to hear your stories, and to strengthen our bond in Christ.

“Give thanks to the Lord, for He is good; His love endures forever.” - Psalm 107:1

Your faithfulness reminds us of God's unwavering provision. Whether you've supported us for 20 years or just recently joined the mission, please know this: **we could not do this without you.** Every seed you sow into this ministry bears eternal fruit.

Moving Forward in Faith

As we prepare for this season of connection and encouragement in America, we ask for your continued prayers for safe travel, divine appointments, and God-ordained moments of ministry.

*“Now to Him who is able to do immeasurably more than all we ask or imagine... to Him be glory in the church and in Christ Jesus throughout all generations, forever and ever! Amen.”
- Ephesians 3:20-21*

From our hearts to yours, **thank you.** We look forward to seeing you very soon and continuing to stand together in the harvest.

Forever Grateful,
Justus & Margaret Ochuro
