

## The Vision Continues- Even through Set Backs

Dear Nekesa (Harvester),

Greetings in the name of our Lord Jesus Christ!

We want to pause and say **THANK YOU** truly and deeply-for your faithful prayers, giving, and love for the ministry God is building here in Bungoma, Kenya. Your partnership is making a lasting difference.

We recently discovered urgent structural issues with our water tower that is near Bungoma Bible school, in particular, the women's dormitory. What began as a simple repair, quickly revealed a much bigger problem: the damage extended further than expected and also impacted the kitchen and dormitory roof. The area had become unsafe and required immediate attention.

We are writing you today to thank you-because it is your faithful financial support that is allowing us to move forward quickly on these critical repairs.

Through your generosity, we are now able to begin the process of:

- Rebuilding the concrete base of the water tower.
- Extending protection to cover the kitchen and the dormitory roof.
- Making the dorm and kitchen area safe once again for the Bungoma Bible School Students and the staff.

This entire effort and cost we could not cover without you. While we don't yet have updated photos to share, we want you to know that the work will begin soon. Your support is already at work.

*"Whoever brings blessing will be enriched, and one who waters will himself be watered."*

**-Proverbs 11:25**

Your giving is not only meeting physical needs, it is an act of worship and a demonstration of the love of Christ in action. The water tower provides for the daily needs of our students and staff. The kitchen feeds hearts and bodies. The dormitory gives safety and rest to the students being taught the Word of our Lord Jesus Christ. Every brick, every drop of water, every roof tile, these are kingdom investments and God is using you to meet the needs.

Thank you for standing with us. Thank you for giving. Thank you for believing in the vision.

We want you to know how deeply we value your partnership. Your generosity is not building just physical structures, it is building kingdom impact. Every drop of clean water, every roof that shields the students and the school from the rain, every meal prepared in the kitchen is a testimony of God's faithfulness.

*"Two are better than one, because they have a good return for their labor... Though one may be overpowered, two can defend themselves. A cord of three strands is not quickly broken."*

**- Ecclesiastes 4:9,12**

Thank you for your partnership with Bungoma Bible Ministries. As we continue to stand together we will reap the harvest of this shared reward!

Please also continue to lift us up in your prayers for wisdom, strength, and provision. Let us not grow weary in doing good, for in due season we will reap a harvest, if we do not give up (*Galatians 6:9*).

Margaret and I make mention of you often and pray for you always! Send us your prayer request that we may stand in prayer agreement with you. Two are better than one. Allow us to be part of your prayer team as you are part of our prayer team.30

Forever Grateful,  
**Justus & Margaret Ochuro**
