New Seasons, New Achievements

Dear Nekesa (Harvester),

We bring you warm greetings from Bungoma Bible School Children's Home. As we wrap up another school term and prepare for a new beginning we are filled with gratitude and excitement.

Your steadfast support—through love, prayers, and generosity—continues to make a tangible difference in the lives of our 44 children. In the midst of both challenges and triumphs, we stand encouraged, watching God's hand at work in the growth and joy of each child.

Education Highlights -

**You have been faithful to support
their Education! Thank you!!**

High School Achievements

Our high school boys continue to pursue excellence in their academics. Their dedication to learning is inspiring, and we're hopeful for even more progress as the new term kicks off. Their work ethic is a reflection of the values nurtured here—and your ongoing support helps us reinforce them.

Junior Secondary & Primary Successes

We're thrilled to report remarkable improvement among our Grade 3, 4, and 5 learners, who were transferred to *Green Life Academy* earlier this year. The change has yielded academic growth, boosted confidence, and renewed a love for learning.

Onward to Higher Education

We are especially proud to announce that two of our former residents, Augustine Wekesa and Joseph Wangila, have been accepted to Kitale Polytechnic. They will begin their Certificate and Diploma courses in Electrical Engineering in August 2025.

These young men are shining examples of what your support can achieve—a future full of promise built on a solid foundation of faith and education.

Celebrations & Representation

This June was a milestone moment for our home. We were honored to be among the select few chosen to represent Bungoma County at the **National Celebrations of the Day of the African Child**, held in **Bungoma (June 9)** and **Makueni (June 16)**.

Participating in such a significant national event was a proud and empowering experience for both our children and staff. It gave them exposure beyond the local community and reinforced the sense that their voices, dreams, and lives matter deeply.

Thank You for Walking This Journey With Us

Every achievement, every smile, every breakthrough is possible because of your continued commitment. You are a vital part of the Bungoma Bible School Children's Home family.

As we look to the new school term, we ask for your continued prayers for strength, provision, and wisdom. There is much ahead, and with your partnership, we're confident in what's to come.

Forever Grateful,

Justus & Margaret Ochuro
