

Retiring Faithful Servants ... and New Officers

Dear Nekesa (Harvester)

Retiring President Jim Hamilton and his wife Treasurer Rebecca Hamilton have served Bungoma Bible Ministries faithfully and with excellence unto the Lord for the last 12 years.

They carried a tremendous work-load to build up to the point we are at today. They leave a great legacy invested into Bungoma Bible Ministries. As you know, all members of the Board are Volunteers and we could never repay them for the huge blessing they have been - but we know that God has not missed a second of their service and has a great eternal reward for them! Thank you, Jim & Rebecca!!

Meet our New President Jonathan Kelly and our New Treasurer Heather Kelly

Jonathan and Heather went as part of the team from Dunamis International, led by Toni Haskell, that went to Bungoma, Kenya in June 2024. The team taught in the Bible School, did other training seminars and some of the group painted the interior walls of the Children's Home.

Jonathan is an engineer and CFO in a work organization. Heather is also a Board Member of another non-profit organization that provides extra-curricular activities for home-schooled children. (Like music, sport activities, STEM (= Science, Technology, Engineering and Math Education), etc) They live in Glenwood Springs, Colorado and have 3 teenage children that they also took to Bungoma as part of that ministry trip.

Pastor Justus and Margaret's 2025 trip to the USA to raise funds for the Ministry:

Pastors Justus and Margaret have been visiting churches every weekend from mid-July to their return home to Kenya in Mid-October. We are so grateful for the kindness of the host homes and grateful for the generosity of the Pastors at each church.

It is a huge blessing to be able to spend time with pastors and friends for fellowship, friendship and time to share the vision of Bungoma Bible Ministries and all that has been accomplished up to this point.

We could not survive without the steady monthly support and donations from all these people that we count as our friends. We know that God has laid up a storehouse for you in heaven, where moth and rust cannot destroy or deplete the eternal reward that He has for each of you!

All of the members of the Board of Directors are Volunteers and so all the funds donated go toward helping the Children's Home and Bible School in Bungoma, Kenya. This provides food, clothing and education for the Children and upkeep for the buildings and other related projects.
