

We got back home safe, Thank you for your prayers

Dear Nekesa, (Harvester)

We were blessed to make it back to Bungoma Kenya safely. The Church and family were so pumped and eager to welcome us back home. To everyone who supported us, opened their doors to us, we are truly grateful.

God has been so good to us this season. We have seen His love at work in the lives of the children, in the hearts of our staff, and through the generosity of friends like you. Truly, “The Lord has done great things for us, and we are filled with joy” (Psalm 126:3).

Our Children together with Pastor Justus after arrival

Pastor Justus with the grand children

Our children posing for a picture

Psalm 92:1–2

“It is good to give thanks to the LORD,
to sing praises to Your name, O Most
High;
to declare Your steadfast love in the
morning,
and Your faithfulness by night.”

1 Thessalonians 5:16–18

“Rejoice always, pray continually, give
thanks in all circumstances;
for this is God’s will for you in Christ
Jesus.”

Prayer for some children at the home

Samwel Gadi Makata Sickness

We covet prayers for one of our Children's Home boys - Samwel Gadi, Form 3 - Kibabii Boys High School, who was diagnosed with Pneumatic heart disease and due to that, has been out of school several times to seek medical attention. The prevalent symptoms have been, low blood level, chest pains, joint pains, feeling dizzy & tired. We are currently managing the situation and treatment through blood boosters, antibiotics and pain killers. He had to go back to school.

The Christmas Blessing Project 2025

As Christmas approaches, our hearts are full of anticipation for a special celebration with the children. This year, we are planning a **Christmas Blessing Project** - a time of joy, worship, and giving as we celebrate the birth of our Savior, Jesus Christ.

Our goal is to give each child a day filled with laughter, music, a festive meal, small gifts, and an outing that reminds them how deeply they are loved — by God and by you.

Morgan Simiyu

Morgan Simiyu Wanyonyi Sickness

Another one of our boys, Morgan, needed dental assistance and braces due to more teeth in his mouth which has caused him a lot of discomfort and pain, even making him come from school .

Children enjoying new shoes

Would you prayerfully consider sending a special Christmas gift to help us make this celebration possible? Your generosity brings hope and reminds each child that they are seen, known, and cherished by the Lord.

With grateful hearts

We express our deepest gratitude for your faithful prayers, encouragement, and support throughout the year. Because of you, children now experience the love and stability of a Christ-centered home. Your partnership continues to make an eternal difference.

With thankful hearts, Forever Grateful,
Justus & Margaret Ochuro
