

Home for the Holidays. Celebrating 2025

Dear Nekesa, (Harvester)

As we wrap up 2025, we've been looking back at everything that's happened here at the home, and "grateful" doesn't even begin to cover it. It's been a year of big growth, a few nerves (hello, exams!), and a whole lot of God's grace.

Big Steps for Our Boys

It's been a busy season for our students! We're so incredibly proud of our six boys who just finished their KPSEA exams. They've worked so hard, and they are officially ready to leave primary school behind and head into Junior High.

Please join us in high-fiving (and praying for!):

- Cleophas Ekasiba,
- Hillary Wafula,
- Bravin Shibusu,
- Alvin Ijaa,
- Dalvin Imaa, and
- Brian Amiani.

We also have a huge shout-out for **Pius**, who finished High School this November. He's already dreaming about college in the new year! Speaking of college, our hearts are full seeing Augustine and Joseph settling into their first year of higher education. Watching them step into their futures is such a beautiful reminder that God really does have a plan for each of these lives.

Adventures in Kisumu

We couldn't let the year end without our annual trip! This time, we headed down to Kisumu, and it was exactly what the boys needed after a long school year.

We spent our days trekking through the park and seeing the animals, playing way too many games, and eating some fantastic food. But honestly, the best part was the storytelling—just sitting together, laughing, and sharing life. It's in those quiet, fun moments that you really see the family bond God is building here.

Merry Christmas & Happy 2026!

As we celebrate the birth of Jesus, we want to say a massive thank you. You are such a huge part of our story. It's through your prayers and your support, you've helped touch the lives of these children and kept our Bible School thriving this year.

We're heading into 2026 with a lot of excitement and peace, knowing who holds the future.

"The Lord bless you and keep you; the Lord make his face shine on you and be gracious to you..." — Numbers 6:24-25

Wishing you a very Merry Christmas and a wonderful New Year!

"We are so grateful for you. Your prayers and support have given these children a safe, Christ-centered home and a real future. You're truly making an eternal difference in their lives—thank you for being part of the family!"

With thankful hearts, Forever Grateful,
Justus & Margaret Ochuro
