

Faith at Work (Feb 2026)

Dear Nekesa, (Harvester)

Warm greetings to you. We thank God for His faithfulness as we step into February 2026. It is a joy to share updates on how your prayers and support continue to bear fruit in the lives of the children, students, and community we serve.

“I thank my God every time I remember you.” – Philippians 1:3

Bungoma Bible School Opens for 2026

We are excited to kick off the 2026 season of Bungoma Bible School. With many eager new students enrolled, we are hopeful and expectant that God will use this season to deeply impact their lives.

“The unfolding of Your words gives light; it gives understanding to the simple.” – Psalm 119:130

Greenlife Academy Opens

The 2026 academic year at Greenlife Academy has officially begun! Greenlife Academy is our **day school serving children from daycare and kindergarten through to Grade 6**. We are proud to provide affordable, subsidized education that supports families in our community and creates opportunities for every child to thrive.

This year, we are especially grateful that **18 boys from our home are enrolled at Greenlife Academy**, where they are receiving quality education in a nurturing environment. With a total enrollment of 170 children, the school continues to grow as a place of learning, hope, and opportunity for our community.

Construction Update: Water Tower & Kitchen

We have completed the main construction of the water tower and new kitchen, which was our flagship project toward the end of last year. We now trust God for the remaining finishes, including tiling, shelving, and final fittings.

Thank you for your prayers, generosity, and continued partnership. Your support remains a great blessing to our ministry.

With thankful hearts, Forever Grateful,
Justus & Margaret Ochuro
Bungoma Bible Ministries
